

### SEBRING HARDTOP

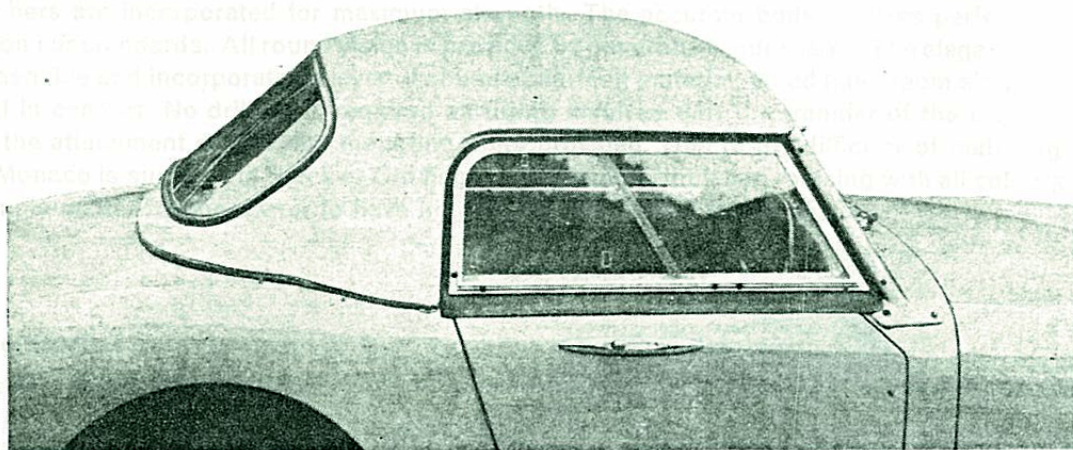

The "Sebring" hardtop is manufactured to the same high standards of finish and weather proofing and differs only in the method of fixing and general appearance. The lines are rounder with a curved rear window and a swept roof line. The front is attached by two toggle clamps secured to the front screen pillars and at the rear by two hooks through the hood-stay brackets.

#### Specification

Material: Polyester resin reinforced glass fibre.

Rubber Sealing: Foam rubber.

Rear Window: Clear Acrylic resin.
